

NOTRE DAME CLUB OF GETTYSBURG

2009 UND CELEBRATION - "A 6C EVENT"

The **Notre Dame Club of Gettysburg** conducted our annual UND Celebration on 6/27. **The club made this celebration a 6C Event!**

OUTLINE

Camaraderie – The celebration included two separate but coordinated events. First the annual Father Corby Battlefield Mass took place at 10:00am, followed by the UND Luncheon at 11:30am. Both of these events provided excellent opportunities for our members to meet and socialize with each other.

Communications – The entire day was about communications as we discussed projects, upcoming events, and received up-to-date information on our members' families and careers.

Community Service – Food was collected for our **God's Meal Barrel** program, with **137** items donated on this day, along with **8 cell phones** for our **Call-to-Protect** program. Also, the "Coins for Corby" campaign bucket picked up \$12.32.

Catholicity/Spirituality – The Father Corby Battlefield Mass provided a unique and inspiring experience to re-evaluate spiritual needs.

Current Student Support – **Twenty three (23) USC Raffle tickets** were sold at the luncheon. This project provides funds for our Notre Dame Endowed Scholarship Fund. Since we are partnering with Delone Catholic High School on the raffle it will also provide funds for the school, allowing us to provide assistance to the diocese as well. Our new ND student, Emily Franz, was honored also.

Continuing Education – Our sponsored teachers for the Excellence in Teaching Conference at Notre Dame were recognized as honored guests at the luncheon. With the homily of the Mass, provided by Father Mike Reid and the presentation by Missy Conboy, it is certain that attendees learned something on this day.
