## ***BIG BINGO PROJECT BLASTS OFF!***

The first scheduled Big Bingo night for 2010 took place on Saturday, January 23rd. The Notre Dame Club of Gettysburg partnered with the Delone Catholic High School Athletic Association for this event. Under the strong leadership of Rick Staub and Linda Masenheimer the night turned out to be a fabulous success. Attendance for the evening reached 196. Due to the many raffles and games of chance the two organizations split \$4,152, passing all expectations. Twenty eight members of ND Gettysburg provided support for the event, making this the largest single turn-out for a project since the club was formulated in 2004. Two more bingo nights are on the agenda—February 13th and March 20th.
