NOTRE DAME CLUB OF GETTYSBURG Entertains at the Golden Living Center

On March 10, 2009 members of the club along with Stan, our faithful and wonderful musician conducted a sing along for the members of the center.

At left is Stan tinkling the ebony and ivory to the delight of all in attendance.

At right is our old friend Merle, he never misses an event and as you can see, always finds a young lady to do a dance with.

As you can see above, we had them dancing in the aisles.

As you can see from the two young ladies at the right, a good time was had by all, Club and Center members
