Roots of the fighting Irish

## *Community Service Projects*

*Where many of the Club's projects are inspirational and involve members physically in attendance, two projects only need donations.*

**CALL-TO-PROTECT** - Over the last 2 years the club has collected over 200 old cell phones and sent them to a site in Michigan. They are refurbished and reprogrammed for use by abuse victims. Members can bring old phones to any ND Gettysburg project or contact Jim Conrad at [james.conrad@verizon.net](mailto:james.conrad@verizon.net) or (443) 370-9740.

**FOOD FOR THE POOR** - Members collect food at all game watches and provide boxes to God's Meal Barrel in Hanover, PA. Some members have also given cash donations on behalf of the club. Members should bring imperishable food items to all game watches or contact Jim Conrad at [james.conrad@verizon.net](mailto:james.conrad@verizon.net) or (443) 370-9740.

### *2009 Year To Date Update*
