

ND CLUB of GETTYSBURG

SENATE 2009

April 23-25, Notre Dame

LEFT—John Murphy and Jean Conrad pose with Emily Garnett, our graduating student, after breakfast at the Marriott. Emily will be spending next year on farms in England, as she needs a break from the academic routine before she begins her graduate work. She very much appreciated the gifts presented on behalf of the Gettysburg club members—the 2 year complimentary membership, the gift certificate to the Notre Dame book store, and the bible signed by club members. .

RIGHT—John Murphy and Jean Conrad present our 2009 Scholarship check of \$6,000 to Chuck Lennon. This year's check increased our endowment fund to \$26,000. This is a great figure for an F size club. All members should be really proud of our accomplishment in this area. Thanks to Rick Staub's effort on the game raffle, member donations, and the markup on game tickets we were able to meet our 2009 goal. Chuck Lennon thanked all of us for the work that the club does and asked us to pass the word to club members.

LEFT—Jim Conrad stops to talk to Emil T, Hofman prior to the James Armstrong Award Dinner on Friday night. Emil T. provided Jim with a newspaper article outlining his latest trip to Haiti to help the people in that country to fight disease. The headline read “Emil’s Army”. It also noted that he will return once again in May to visit with seven doctors, who were at one time his students at Notre Dame. Go Emil T!

Incidentally, the James Armstrong Award winner for this year was Missy Conboy, our scheduled speaker for the UND Luncheon on 6/27.
