## *REMEMBERING DAN LYONS*

On July 25th the Notre Dame Club of Gettysburg lost one of its favorite sons, Vice President Dan Lyons. Dan was an active participant in club activities since late 2007. He was elected to the Board as Internal Vice President in September of 2008 and has served in that position since then. He was especially involved with being our interface with the local military and initiated a covenant signing ceremony expressing our support. Dan was one of those people whose presence improved any project or meeting he attended. He was liked by everyone who met him. He was absolutely crazy about Notre Dame, both the University and the sports teams. He was a family man who talked frequently about his wife Pat and sons Joe and Dan. NDG will mourn his passing for the foreseeable future.
