COACH KELLY LUNCHEON

May 20th finally arrived! The highly anticipated visit by Coach Brian Kelly started at the Cross Keys Inn and Conference Center around 11:00am, when he was quickly escorted to the “VIP Room” where members had the opportunity to meet him and to have a photo taken. Over 90 members attended the luncheon and visited with coach for a brief time. From the VIP Room Coach and his entourage entered the dining area to the sound of the Victory March. Father Mike Reid gave the invocation and lunch was served. After introductions and a few words from Dolly Duffy, Coach gave an excellent speech for about 20 minutes and then took questions from the floor from the 176 people in attendance. It was a special day for ND Gettysburg!
