

Notre Dame Club of Gettysburg

PRESIDENT RICK IN SOUTH BEND!

LEFT - Rick Staub presents a check for \$4,000 for the Gettysburg scholarship fund to NDAA Executive Director Dolly Duffy. This was the club's second check for 2011 and represented the profit realized from the Brian Kelly Luncheon on May 20th. Combined with the initial check of \$6,000 provided at this year's Senate meeting the club's total contribution for 2011 now stands at \$10,000, bringing our endowed fund up to the \$42,000 level. With Rick and Dolly in the photo are John Delaney, NDAA President and Cathy Staub, First Lady of ND Gettysburg. Rick and Cathy visited the new "Football Friday" hospitality tent at the Eck Center.

RIGHT - Rick meets with Coach Kelly as he comes off the practice field on Thursday evening and provides him with an ND Gettysburg shirt. **BOTTOM LtoR** - 1. Car seen on campus - wish the club had one of these! 2. The Irish Brigade flag from the club's Corby Ceremony at Senate is still at the site. (John Murphy will really be happy about that!) 3. President Rick on hallowed ground for any Notre Dame fan - the field at Notre Dame Stadium. Rick and Cathy were given a tour of the stadium during this trip. It was a highlight and an experience that any fan would love to have. Overall, a super trip minus the "W" they had hoped to bring back to Gettysburg.
